

12:56 pm. Monday, 4/4/94 Dear Michael Jackson,

I wonder what your thoughts were
that you didn't have express,
Shot down in your attempt: those
syllables in such excess,
And to her charmless NO could you
have thought if you're like me,
"Next time I see her won't I love
to say 'long time no see?' Regards,

PS You kids
would be good
subjects to do a
trial effect AND
effect of accent
on content.
