

Bryan -

3/10/95

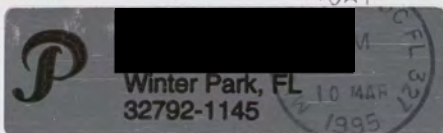

Friday

Despite the Limbaugh callers -
another great Journal morning!
Somehow - perhaps you can relay
to the Kathy Kiehl of the Houston
Post that I am passing on her
name to Tim Russert of CNBC
for his "talk show" - she presents
her thinking in a clear cut fashion
and would like to see and hear
from her more (perhaps even
again on C-Span)
Carry on!
