CSPAN

Listening to Ms Forbes &
M Kondrake.

#1 First vote 1937. In Booth I was approached, "Lady may we be of help?" I replied quote "No Thank you". Next, I was asked by another person same question. I replied quote "This is my first vote & I must do it right." "I did write to President FDR because I did not agree with his need to Pack Supreme Court." He wanted it, enough Judges to take care of his Great Society Programs. Next in Booth I heard, "you wrote to the President!" Next, I said "yes." Next I heard man say at my back to other man quote, "I know what she is." The other man said

"I have a pretty good idea what she is."

My 7yr old ~~was~~, say saw big "10x9" Brown ~~the~~ Envelope stamped White House. That inquisitive girl then got a Political disertation. She asked quote, "what did they say you were?" Dear they called me an Intellectual. "What's an intellectual" she asked. Enough said.

So I've cited all this as I was at tender age as we say today a TV Junkie all the years 60 of them.

So, In a dedicated Conservative.

I could go on + on + on about what the Liberals have done all these years. My sense of the Deficit is it is result of Great Society Programs put in place not financially figured out only to get elected over 40 + yrs. The Entitlements as they are called today

the cause of our Economy. Why?

We have an Iron Triangle governing the Nation. It is

- # 1 (Media
- # 2 (Special Interests
- # 3 (Democratic Liberal Controlled Congress of 40+ yrs.

So what with this said our Country is paralyzed. Congress can't do its job. Constitution says "it" has Legislative Power & Power of Purse.

The President has his Job National Security & an important item the Veto of a plan presented not legal according to Constitution. So I understand Pres. W W Bush, The economic War was carefull to

follow out ~~provisions~~ ^{provisions} of Constitution.

So, he now prepares for, some, say, Re-election. Excuse writing I must now write to Senator ^{Liberal} Woffard!!

I, as citizen write to Pres. Bush every other week with my sense of things World Wide & Domestic etc.,

We are not out of Woods yet as we see "Global Financial Revolution".

So, I tell the President, "I don't think the Masses at home, don't understand role of Government.

I have a plan this Liberal State of Minnesota. I'm ready for 1992.

Bush & Quince stickers on my bag for Bush voters to pursue!!

I worry about my Country while the Congress worries about getting elected.

My Spouse when here said "Lawyers who couldn't make a living got elected to Congress for Life."

Do you have to be a Liberal to be invited on Program?

I watch Congress in session every day. Everyone should have to do just that.

Reating 5 now excused having charge of Programs. now that horse is out of Barn.

The Judicial Hearing Congress needs training - a lot of circus the last one. "Thomas" etc,

Mr. Dick April Surmise like Contra & Walsh (40 million).

Remember Nixon Impeachment Hearings Sen. Sam Ervin head of it saying quote "I'm just a simple small Town Lawyer" "

over

It was said he had blocked

Lateral to the teeth.

I'm 'hoping we get new clean
