

Dear Mr. Lamb,
Your Labor Day, 24 hour
book show is on and Hooray
for it! Wonderful!

I was surprised to see
Jean Smith's John Marshall
being shown he ^{came} I've longed
for it to be reviewed by you. I
still hope it will be!

My husband and I have
read Democracy in America thanks
to you. I am reading Book Notes,
Mr. Lamb, and I have found
too many books I want to read!

Please consider John
Marshall by Jean Smith!
The judicial part of our system
is so important especially now!
Thank you.
