

MAGNOLIA GARDENS
CHARLESTON COUNTY, S. C.

Developed in 1830 by Rev. John Drayton, the gardens were pronounced by John Galsworthy as 'the most beautiful gardens in the world.' Visitors are entranced by over 25 acres of exotic oriental plants mixed with the beautiful native flowers of the Carolina coast.

A recent program indicated that by calling a certain number, one could obtain data re VOTE SMART, but the number never showed up.
