C-span —

All those "thank you for C-Span" calls are well-deserved, but what has not yet been mentioned is the role you play in helping to elevate the public taste in music.

The House of Representatives
coverage is interesting in spots,
but there would be plenty of
yawns after an hour or so
were it not for those musical
selections that seduce the
viewer into staying with it
(this viewer anyway).

Thank you so much.

SPRINGFIELD, ILL.

Sincerely,

bronx, ny
