Dear Sir,

I have been an avid listener /
watcher of C-SPAN and over the
last few years have decided
to get my news only from your
channel. I've done this because
the major networks have become
more and more biased toward
the liberal White House and the
Democratic party in general.

I just simply do not believe
what CBS, etc reports about
major political events.

Fortunately, up to this point
there was C-SPAN and the truth!

Therefore, I am very
disappointed to see that
you have gone the way of
the networks by deciding
to censor calls and allow

O.W.J

only equal time for "Clinton-
Mole - Otters" on your call-
in programs. Up to now it
has been obvious that a larger
part of your callers do not
appreciate Clinton's policies.
Now, however, Clinton and
his programs will be
protected by your new "equal
time rule", no matter how many
people are waiting to speak
for Mole or Republican programs.

I am truly aghast that you
would make such a decision.
to censor the public. I'm sure
this letter will not change your
new policy as I fear there
are deeper reasons for your
decisions. There have to be.

So, I end with, "Farewell from
a viewer who trusted you."

Sincerely
