You have the Best
Program on T.U. I believe we get
nearer The Truth From Your program
than any OTHER. NONE of You're people
express Their opinion.

My only Fault is Your guests
argue Too much between them selves
while people are waiting on the Line.

These are Trying Times for everyone,
that is why we need the Truth, we
do not get it From ^{the} Politician's.

I am dreading Election's, it will be
Very Very dirty.
