

How do I love thee
C-Span?

Let me count the
ways

Well at least a few
of them.

Anything Brian does.

Getting to ^{see} know some
great congress persons,
and some not so.

C-Span coverage of
convention in N.Y.

Getting to see the
inside of dome of at
Capitol.

The coverage of
Vietnam awhile ago.
No house work was
done for three days.

Brian's trip to Japan
some time ago.

And everything ^{she} you
have done.

...are all my thoughts
of you!

Sincerely

thoughts of all...*
