Dear Sir:

I wish to congratulate
you for an excellent
program presented by
the Capitol Hill Woman's
Political Caucus which
was shown this week.

Thank you. It was
a well presented, calm &
reasonable program. There
were no hysterics or
angry diatribes.

I was very impressed
and hope there are more
like it.

Of course, I am aware
you just televise the
programs and do not
control the content.

I just wanted you to
know I prefer your
programming to the
"gotcha" brand of T.V.

Ok, and your interviewers
are excellent. Sometimes
Bruce Collins gets a little
short with a caller (but
not without extreme
provocation), however, it
does not happen often.

Thank you again.
That really was an
excellent program.
Sincerely, [REDACTED]
