Dear Brian,

Heartfelt congratulations on C-SPAN's 30th Anniversary! My class & I were so lucky to have you with us & to be the first class to use C-SPAN in our classroom. It was a highlight of my teaching years.

Of course, I've watched with great interest over the years as C-SPAN has grown in new directions ⁱⁿ stature.

I try to keep up with my friends at Close-Up. That was a wonderful opportunity for my students, too.

Many Lynne Jones wrote me of her interview with you for The Hill. She was a wonderful student. I was able to get her an internship at WETA while she was still in high school - the only one I know of. She did a great job there, went on to Wellesley College.

My very best wishes for your continued success.

O.C. SPAN
