

May 17, 1995

Dear Sirs:

I think it was a big mistake to change the C-Span format in the early morning hours. I do not need the news from ~~liberally biased~~ ~~newspapers~~ like the Washington Post. Most newspapers are liberal in their reporting and commentary giving C-Span the look of being liberal. As a C-Span addict I resent this change from being unbiased in your programs.

Respectfully Yours,

RET.
