Mr. Brian P. Lamb
C-SPAN Founder/CEO

Dear Mr. Brian P. Lamb:

Thank You, for taking the time out your busy schedule to meet with our group. It has been a great pleasure to participate in the 2004 Ignatian Leadership Institute. This class is a stepping stone to other great opportunities. It is a footprint in my life.

The informal discussion you shared with our group, made it more personable for us to get to know you a little better. As we can see everyone does not always start out on top. They have to gradually work their way to success. The key that I have learned is that you must persevere forward to demand a positive end result. This is what I personally see that you obtain for your self.

Again, I just want to say Thank You, my plans this summer will be to continue on the path of perseverance. I plan to take prep course for the upcoming school year, and work with an athletic trainer to enhance my skills. I am looking forward to the upcoming school year. Being voted President of the class of 2005 is an honor. I will give it 100% to the best of my ability. I have a quote that I like to live by "Where there is a will there is a way".

With kindest regards, I am,

Sincerely,
