C-SPAN
440 N. Capitol St.
Washington, D.C.

Gentlemen:

Ms. Mona Chaver was in "rave form" this morning, in expressing her contempt and her hatreds and her bigotries. It is curious that for several days I have been framing in my mind a letter to C-SPAN, of criticism related to "this".

For now, hail Cspan, for achieving the stature of a nation at treasure, in so short a time span.

VOILA!

Very truly yours
