Mr. B. Lamb.
C.S.P.A.N.
Washington D.C.

Dear Mr Lamb:

As I watched your program with Mr's
Hickens and Buchanan, this morning, in
your dilemma of trying to be fair (I find you are)
it seems to me, you run into the big saw of
what is holding America captive. Politically Correct +
Quotas. It seems to me, that's pretty close to
what your callers who were angry to day, wanted.

It is almost an impossible task, to appear to be
fair, when your calls come from "Dyed in the
Blue Republicans" or "Yellow Dog Democrats"
with an agenda and closed minds and who
haven't yet figured out, that neither party
is 100% correct all of the time.

Fairness to me, is just what C.S.P.A.N. gives,
both sides, material I use, in addition to what
I read, to make up my mind on issues.
So don't let these callers get your goat.

This morning's program, was a treasure,

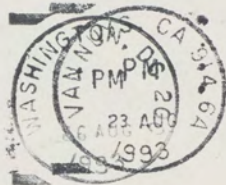

to listen to these two men, whose
thinking is so far apart, find Areas
of agreement only proves, our Founding
Fathers were right, find the "Compromise"
and move ahead.

Sincerely Yours,
