Was right on the money
Bush & his bunch are
religious fanatics.
They are beginning to
frighten us. His "new
world order" etc & Pat
Buchanan's speech
shades of Nazism.
Church & state are separ-
ated - or haven't they
heard. They have all
gone off the deep
end & I pity this
country if he is re-elected.
No tolerance! Only
hate for us Democrats who
couldn't possibly believe in God.
Bush for dogcatcher, only.
