I have to tell you - I was appalled at the contents of a program presented on C Span Saturday, May 22 at 10 p.m. It was a parody of Hemingway whose anniversary (100) is coming up soon and the man proceeded to read the prize winning composition. It was a thinly veiled criticism of the president. The listening audience tittered and twanged about it all. Disgusting I say!

Tell me who wrote it and I'll send them a penny for obnoxiousness.
