Mr. Lamb: Your questioning listeners about who they considered inspirational and motivational speakers brought a caller who mentioned Jim Valvano. Your reply "Who is he and how can we get in touch says a lot —

Jim Valvano, Basket ball coach from NC State had his own show. He developed cancer — followed Dr Orders and died — I cannot believe you are so much in a shell you had never heard of Jimmy V.

Today's paper has an article on EXMS N.B. a commentator Keith Oberman stating he compared Ken Starr with Heinrich Himmler — Head of the SS Gestapo forces. Where do The Media Members get these ideas, Oberman knowing all the ropes of

② Sports world knew ~~didn't~~ ^{didn't} squat about
government and/or history or he would
never have made such a statement - the
point is those inspirational and motivational
speakers you mentioned on your program,
for the most part are merely senders of a
message often written by ~~others~~ ^{others} -
speech writers, PR experts and lobbyists.
Hillary, Elizabeth both senders of a message
co-written with their spouses who have
a delivery. Not all of us who receive the
message agree with what they are saying.
Jimmy V. a sports coach, writer and commen-
tator spoke of a subject he understood - Keith
Oberman (a former sports writer) hosted a show
he did not understand. That is why the
Impeachment Hearings should be "open" to
prevent the media from distorting the words
of Ken Starr by portraying him as a Heinrich
Himmler - while using all the propaganda
machine of the (Joseph Goebbels) to protect
the Cabent Master (German Goering's) 4 yr plan
when you are raised like Bill Clinton, you have
no business being President, Nor Luchie or the
man in charge of the Nation. No closed
meetings -
