ATTN: Program Director and all responsible.

Thank you very much for the airing of Madylyn Murray O'Hair's speech. We all at this chapter enjoyed seeing and hearing which gave us a great big boost in moral, by letting us know that someone in America is still alive above the eyebrows.

Our intention is to show the video with your permission, and give credit to your great company C-SPAN and all that were responsible. You have given us hope yet that there are still people around with guts to not hew to the government line.

By the way, there has been a blackout on/in just about all media since the airing of the speech. We've seen no reference in any of the media. Perhaps it's there but we haven't seen it. THANKS AGAIN. Looking to next year.
