I love your programs. I never knew very much of the dirt in our government until I saw what was going on in washington, and around the world. Oh Dear Lord what a mess. I dont see how God has let this ungodly world stand as long as He has. but according to His word The Bible The Old King James Version. He is now fast ficing to bring things to an end as we know them. for all the things He said would come to pass in the last days just before His return for His Bride His Church, the Christians. the saved ones. the ones who have done what He told us to do. is every one now in place. The Trumpet of God could sound at any minute now. for Him to split the skys and take all who have accepted Jesus His Son as their Saviour out of this mess down here. for seven years. you may ask. why seven years. well after 1992 sometime after the ten world nation gets all set up. called the European Common market. it is the old Roman Empire revived again. you know of the President new world order. this is it. for you all for a long time when this trilateral Commission was set up. Bush is a member of that thing. and they are a priest kind of government to themselves, and have years wanted this thing to happen so he has carried it all out now. I dont mean he could do this by himself he has other high officials all over the world who belong to this Commision. Goldwater tried

to warn the americans about this priest crowd to form their own gourment but me included, had never heard of them. I voted for him. but there was no one else any better, but no more. no way. but it to late now. for he the president has over steped God's dead line. when he took that pin and signed up with the whole world against God's chosen people the Jews. he put his fingers in the apple of God's Eye. that is what His word says. it is not because the Jews are any better than any one else. no. there are not very many of them who have believed in His Son as their Saviour. but this is one reason He scattered them all over the world. and let them be hated and treated worse than any people on earth. you see God had a plan from the beginning to have some of His Creation to love Him. that is why He gave His only Son to die and suffer and give every Drop of Blood in His Body on an old Rugged Cross to pay for our sins we could not pay ourselves, because He loved us so much and wanted us to live with Him some day in Heaven. And after the seven years of awful tribulation on this old earth He is then going to make a new earth and a new Heaven for you see the devil was consumated Heaven when he rebelled against God. then he ruined God's beautiful world. so He is going to make all things new for all of His Children all who accepts Jesus His only Son to pay for their sins. there is no other way to Heaven.

back to God's reason for the Jew being His chosen people. God wanted a way for people to be saved. now follow me. and you can understand. why the Jew. well God saw in Abraham a good man. not perfect for there is no perfect people, some saved by the Blood of Jesus, but not perfect. but He told Abraham that He was going to let them have a son in their old age. I mean real old. like nearly one hundred. is that old to have Children. well they wanted a son but just could never have one. so God being all knowing He told them He was going to let them have a son. now they really did believe God. but He did not do it as quick as they wanted Him to. so they thought they would help God out a little. and that is the reason for all this fighting to day between the Jews and the Arabs. we can't improve on God's plans we mess up every time we. here is where they messed up. Sarah Abrahams wife told him to go ~~in~~ in unto Hagar the Arab his hand maid and have a son by her. so he did oh Dear God what he did. this son was named Ishmel then because he was Abrahams son but you see not a promised son. He let him be the father of the Arabs. but then they had the son God promised them. this is the Jews. so this son was Isaac the father of the Jews. now God had a plan for the Jewish race but not the Arabs. He went for His Son Jesus to be born through one of Isaac's grand sons ~~race~~ or tribe for Isaac had a son named Jacob which God later changed his name to Israel.

so Israel Jacob had twelve sons, and the oldest was named Judah and Jesus was born way on down through his tribe, and He was to be The Only One to save God's Creation, Not many of the Jews believe that Jesus was their Messiah so even to day they go to the wall to pray for their Messiah to come, but is such long story, but God told them when He scattered them all over the world, that in the last days He would bring them back to their home land and He has, that is why we know this is the last days, God said when He got them all back, to prove to them and the whorld His Awsom Power, the world can see what He has done to His Chosen people for their unbelief, so He is not going to let any one else go free only through His Son's death and Blood of The Cross, He said when He gets them all back, He is going to deal with them once more to accept His Son, but many will believe when the old antichrist throws them out of their Temple so he can rule the world from there, that is why they are going to build this Temple no matter what, and soon, for the antichrist at the Middle of the seven years tiebulations he starts to rule the world from there, and mr Bush's New world order is fast being set up with the European Common market in place in 1992, after that we will have a one world money, one world church one world goverment, then a one world leader "yh," you guessed it the antichist (but Jesus comes and takes His people before it gets to rough even after they take the mark there want be any thing to buy for there will be famine all over the world, and every drop of water will be turned into blood. what a dreadful time

for then people will have to have a mark to buy and sell the mark of the beast the old antichrist but when a person takes this mark, their soul is doomed to hell, all of these new agers, all of the humanist, Communists, and all other unbelievers will at the end of the seven years tribulation be put into the lake of fire with the devil the anti christ, the false prophets, the beast, and all who follow him. but this ends all that crowd then Jesus sets up His new Heaven and new earth which the old devil and none of his crowd has ruined they will be perfect, and we will live forever with Him in perfect peace, joy and happiness, while the devil and all who rejected Jesus God's Son Blood to wash away their sins, they will sizzle in hell for ever through the endless ages never to burn up No, never, not ever one drop of water, cant burn up. cant never get out, they will forever see what they missed by rejecting Jesus as their Savior, the reason we can know, Jesus gave us an example in His word He told of the rich man calling from hell where he was he begged for some one to come with one drop of water and put it on his tongue, for he said he was tormented in the flames. yes there is Heaven with Jesus or hell with the devil the old antichrist, I use never called you people because people dont want to hear these things so I thought Id just write so if there were some of you who dont know Id tell you, I hope you will believe
