Why dont you solve the question...WHO TOLD THE TRUTH?
Or suggest it to one of your corespondants!

Anita Hill said she went to dinner with Judge Thomas
in a car driven by his driver.

Judge Thomas insists he never went to dinner, and that
he did not tell her that if she ever told these things
it would ruin his carreer.

One of the Senators said "he was going to talk to the
driver," who Judge Thomas said has since retired.

Have you heard anyone talk to that driver? Why not?
