Dear Mr. Lomb,

As one who spent  
32 years as a military  
wife and mother & grand-  
mother who experienced  
each war of the 20<sup>th</sup>  
Century -

Sorry to say I no longer  
respect you after you  
opened the program with  
a style section of a news  
paper revealed you are  
a liberal Democrat -  
I've lost all respect  
for you and the one  
person I held deep  
respect for.

As you once stated  
turn the off knob

even you aren't  
satisfied with the  
program. What a let  
down,

The other programs  
are great. I am very  
disappointed. After 10  
years what a let down.  
I will never buy  
any thing again with  
your name on it.  
Nor will I watch  
any thing or listen  
to any thing again  
where you are involved.  
Sorry I'm not alone in  
this thinking
