Brian, Bruce, & Susan:

How wonderful you 3 are at your work! I have listened to radio/tv programs like your Channel for 20 years - never called. As you have opportunity - please answer the following questions:

- ① Primarily, how are you able to remain so neutral, objective & unbiased?
- ② Ask ole Richard Shelby & Howell Heflin (Alabama Senators) why they always vote with Republicans. Shelby has not answered phone calls or letter. And - why did ^{he sell his Tuscaloosa residence as soon as he made Senate!}?
- ③ Ask R. Perot if he even knows a thing about the "typical American family" (U.S. Census) i.e. 2.3 kids, \$65,000 yearly income - which takes 2 members of family to earn. If he is aware that we never see over

1/4 - 25% of our money. Then
some additional (\$1700.) is now
required - since 1986! - to be sent
in each April to - IRS.
For B. Clinton - how soon will he
become a millionaire after election?
And why has he allowed
Hillary to be musled?

I am a Chapter I Math.
Teacher here in Alabama & Clinton
is the only candidate to mention;
so what are his plans for Ch. I
funding - it has greatly, greatly
increased under Reagan, Bush - which
never happened under Republicans
in the past, in fact, funds were reduced
except for 1976 (Carter)

A huge part of the reasons
that I am unable to
call on phone is because
I am afraid I would
sound like a radical,
uneducated (-M.S. degree) fool.

So I leave it to you to
ask the questions for me.

Thank You 3
in Advance!

Journalists Round tables &
Booknotes the most!

Journalists are my heroes in
today's Society - not war people or
politicians & sadly not educators.
