Dear Mr. Lamb,

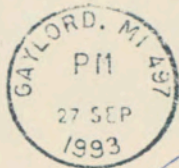

Two years ago I spent the winter in Hilton Head and as the weather wasn't great I saw your programs every day.

I thoroughly enjoyed them and when I returned to Canada

I wrote to the various authorities whom I felt could tell me, why, we in Canada couldn't

enjoy it also. My member
of Parliament (federal) said he
had gone to Washington (I do hope
he had other business also for my
tappayor's dollar) to try to receive
your program in Canada but was
unsuccessful. Please tell
me why!

yours very truly,

Mr. Brian Lamb,
