

February 9<sup>th</sup>

Dear Sir:

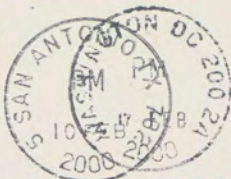

your presidential series  
were outstanding! I missed  
several due to the late hour and  
not knowing about the series  
until the series was about half  
over. Our T.V. guide does not list  
CSPAN programs.

Please, Please re-run the series  
again, especially the ones that  
were on late nights (12 AM) & onward.

Could you drop me a card  
& let me know? For two weeks I  
sat by the T.V. watching from 1 PM  
until I couldn't keep awake & haven't  
enjoyed anything as much for years.  
(I am 76 years old)

Also on the Polk program, the  
viewers were asked for well  
known places named for Pres Polk.  
Ft. Polk, La was not mentioned. The  
Post is very active & day.  
Sincerely,  

SAN ANTONIO, TX 78209
