Dear Mr. Lamb,

As Close Up advisor for my school, I and ten juniors have recently returned from an enjoyable and enlightening Close Up week.

After experiencing Hurricane Hugo in Sept., 1989 my school has been slowly trying to rebuild. This spring the library (my domaine) finally reopened and we have just had our cable service restored. I am aware of the wonderful relationship between Close Up and C-SPAN, and I'm looking forward to my school's participation in the wonderful service you provide.

Sincerely yours,
