@-Span

I listen to c-span almost every morning and have tried what seem's like a million time's to call. This morning you said to write and you would try to put our message on the program. So here goes. I don't read newspaper's I get all my news from T.V. you like different view's. I have a different view about this problem we have with the pres. It's a religious answer so I don't expect it to be put on your program, because most of the time we don't count, however I will

will give it to you
any way.

America has made a
God out of sex. Movies
advertisement, Television,
and what have you.

has sex involved.

God has been slow
to anger concerning

This, but will not
allow it to go on for-
ever. He is calling our
attention to the evil
of using it the wrong
way with the actions
of the president. If

we as a nation, not
just the president do
not repent and turn
from our wicked way we
will probably go the
way of the Roman
Empire, or maybe
Sodom and Gomorrah.
