

Dear Mr. Lamb:

4/11/94

There are 100 United States Senators
and 50 Governors. I have not kept
accurate count but it's my guess C-Span
gives 100 minutes to President Clinton for
every 1 minute you have given Senators Specter,
Wofford and Governor Casey combined. You are
looking like a Public Relations firm promoting
Pres. Clinton.

He won with 43% of the vote
