Dear Mr. Terry Murphy,

C-SPAN's continuous live coverage of the rally from the Mall for six hours was wonderful. I had truly wanted to be at this historic event but could not get away from my teaching responsibilities. I felt as if I was there. I want to thank C-SPAN for bringing to the general public a better understanding of the diversity of gay and lesbian people. This kind of open discussion is so healthy for gay and straight people. Thank you very much.

Sincerely,

Long Beach, CA 90803
