Listen to a Dem vs. a Rep.

Committee chairperson argue one another? A  
absolute ideologues? please - spare me more  
stupidity - I turned my dial, zapped the  
remote at 8:35 - thought Jo Weissmuller as  
Jungle Jim would be more interesting - NO  
MORE of this IDIOCY - I want a serious  
discussion of issues - Balance is one thing -  
ideology at all costs is another - that's stupidity -  
Jungle Jim kept me entertained until 9, when I  
could link up with Fox news + T. Snow + B. Huwe,  
hopefully   
Windsor Locks, CT 06096 / NO MORE!
