Once again your Program outdid itself. With the two most Bias an Hypocritical guest in a while, the Ledeens family. The most obnoxious Part of the show was when Mr.

Ledeens Claimed there was no evidence of Reagan knowing the Monies from the Arms he illegally sold to Iran went to support the Contras. He knew an I knew as a Person without the so called short Memory that Politicians an People like Mr. Ledeens Count on Olie North along With his Coke Head Sec. Were allowed to remain For three days behind Locked doors by the FBI shredding every Piece of evidence that would have had President Reagan an George Bush impeached an convicted of treason. When the Machine Burn't out what ever little evidence was left Fawn Hall carried out in her underwear, you see every American isn't short minded maybe your guest an your Program directors think so. The Ledeens had every

excuses for Reagan an had every answer why Clinton should be impeached, But when asked whether they thought Corporate America controlled our Politicians in Washington they suddenly became stumped had no answer to that question, Well 80% of the American Working People can answer that question the answer without a doubt is yes. they paid millions of dollars in Lobby Monies to get NAFTA & GATT the Free trade Bill passed Once the so called Teddies Independent Party they claim to be a member of the Right Wing Conservatives gained control of Congress they passed NAFTA & GATT immediately, allowing there owners Corporate America to close there Manufacturing Plants here put millions of Americans out of work an move there Plants to Mexico an Asia for the use of cheap slave foreign Labor. The Teddies must cater to the same Audience as Rush Limbaugh the People who start there conversation off by saying Meg a do do Rush, Real Brain surgeons
