C. Span - B. Reynolds - B. Wattenberg  
Viewer call-in Trahern

Why do we insist on bashing Congress?  
The only body of "We the People"  
The blame is in the White House

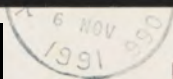

By the way - term limitations  
would give the power to Staff.

Ben Wattenberg is part of the  
problem - He is with American

Enterprise - a very radical right  
group. No term limitations! Rather  
let's have more voter participation  
information etc.
