NOT FOR PUBLICATION|

Thanks for having on a person from Mother Jones.
It's high time you began utilizing more representatives
from the alternative media.

While I'm at it, the NPR coverage was spectacular.

Overall, more good than bad. I still wish you
could get the Canadian and British Parliaments more
often and at set times, so I could know when to tune in.

PLEASE PLEASE PLEASE do an
the Christic Institute. Th
the only ones who are
determined to get the truth out about Irangate and drugs
