Dear Sir,

I wanted to write and tell you how much I enjoy C-span and look forward to being able to keep up with current events in Washington. If it were not for you I would miss out on many worth-while events, things that the other networks do not show or carry. You do this Country a great service and cut out 'unkind opinions' by your staff and hosts, as forced on us by other networks!

I especially want to mention your coverage in February (I think) of the 1993 CPAC Conference held in Washington. It was marvelous and everyone down here spent three days glued to C-span.

You are a very special group of professionals and we thank you and love you!

Sincerely,
