May 15, 1993

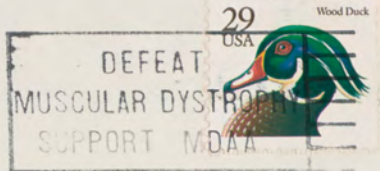

Dear C-Span:

I recently travelled to Washington DC to attend the Gay & Lesbian March on Washington. Most of my friends were unable to make the journey, but told me that they had watched coverage on your network. I wanted to write and thank you for the coverage. I am sure many bigots and right-wingers are writing you to chide you for your broadcast, but I wanted to write in praise of your decision to do so.

Yours sincerely,

San Francisco, CA
