POLITICAL LIARS

Clinton and Bush are liars
without conscience
nor sense of the real God
Let's pummel both of them
By giving Perot
the cynical nod.

Clinton and Bush are liars
making us believe
they're family...
hell, one's a crooked
Silverado
and the other
a skirt chasing
Desperado.

Clinton and Bush are liars
wheeling and dealing
behind our backs
all the while quite aware
that most Americans
don't get the facts.

Clinton and Bush are liars
pushing power buttons
here , there and everywhere
Their game plans
are bushytail and slick
greasing dirty palms
so they won't stick.

Clinton and Bush are liars
refusing to debate real issues
If we're not puppets
let's vote Perot
who'll tell them
suck it.

The Republican party
has become a religion
while Democrats
have liberal pagans galore
If Americans see the smoke
Perot will get the vote.

Perot will get back in
3 days before the vote
He will have been our smarts
and media saved
from negative bites coming
from those depraved.
