Dear Mr. Lamb,

Brian, I watched you on C-Span's Press Club Program 1-6-97 and was very impressed with your speech and your answers on the program. I also watch your program every morning on C-Span. Your station gives more to the American People than any other station on. The Mobile C-Span Unit has shown so many Historical Sites and information for our children that you need to be applauded. So, Thank you, and C-Span for

putting my beliefs and our
childrens future into
something well worth
watching, and learning.

Brian after 20 years I
still can't understand
why people say you look
like J. Edgar Hoover
either HA! HA!
