C. Span
Brian Lams!
Sean Sin;

I watch C. Span -
a great deal + do enjoy
it. I was watching the
3rd & 4th of Jan. - Jerry Falwell
was your guest. There
were a number of callers
which I do enjoy hearing.
I was very surprised
when a person called +
started saying about the
Bush family you cut her
off. I was surely dis-
appointed in you.

Falwell pretends to be
a Christian so how could
he feel that selling Vicious
Videos, portraying Clinton's
life + accusing him of every
thing. Is this something a

Christian would do, with
no proof.

We have Floyd Brown
Jessie Helms, Pat
Robertson, & many others
in the Christian Coalition
that their goal has
always been to force
Clinton out of office.

The President has done
some great things for This
Country, he has also done
some that we can not
be proud of, but of course -
I can think of a few
others, President that
did things that weren't to
honorable, Break ins
laundering money, Iran Contra
Holding Hostages.

Respectfully
