Gentlemen:

Again I want to thank you for C-SPAN that I have watched and enjoyed very much for several years. Only since C-SPAN have I learned what's really going on in Congress; I don't mean that you report only the corruption and scandals, but through your reporting, your call-in shows, panel discussions, etc. has the country really learned who the members really are and what they really stand for. I must add that I don't believe the esteem, whatever there was, for Congress was ever lower than now and it is understandable.

What I really am writing about is: I want to tell you that your host Katherine Buckley is the best; I really feel that she is the best of all your women hosts and I'm not sure but the best of all your hosts. She is pleasant, courteous to the callers, and professional. I would like to see more of her.

Sincerely yours,

[REDACTED]
