only C-SPAN, in it's fairned
would give a fruit cake,
like you, anti coverage. You
are the poster child of dumb
Cluck ultra-liberal wacko!
Your sappy diatribe was
laughable, drivel. The proof
of your luvatic position
lies in the defeat of the
liberal philosophy which
was defeated soundly in
1994 & 1996! I hope you get
a nice padded cell to stay
in soon, so you can rant
& rave without hurting
yourself! Thank God you're gone!
