or performance

Shame on C. Span for allowing itself to be used by David Bonior. He represents the epitome of partisan politics, distortion, and egomania. Mr. Bonior brings out the worst in all people, as witnessed by many of the calls this a.m. Shame on C. Span for giving him this solo platform for almost 2 hours. This morning was a complete waste of time for your viewers, and it goes against everything I thought C. Span wants to promote. Please tell me this is not a trend.
