To Whom it may concern:

I get so tired of "C. Spass"  
on the T.V. that you can't  
get the programs that I like  
to see.

Do these people on "C. Spass"  
realize how much time they  
take <sup>from</sup> the shows we like to  
watch and enjoy?

I imagine there are lots  
of people that feel as I do.

One thing that helps more  
than any thing else on "sickness"  
is to get your selves a Medicare  
Card.

Thank you
