Impeachment case! What a farce!
Ken Starr witness ?? He witnessed
nothing!! He is just there to continue
his "Get Clinton" campaign.
Who should sit in judgment? ??
Henry Hyde - with his affair? S...
Boe - with his affairs ???
Bingrich - with his treatment of wife
& family. etc! etc! etc!
They don't want him out. They don't
want Gore as sitting Pres. They only want
to appeal to the impressionable public!
Clinton (he thinks) is the best PRES since
