

Dear Editor,

I am writing to thank you and commend C-Span for it's recent program on northern Ireland during which it attempted to present all sides and permitted the protagonists to speak for themselves.

I humbly urge you to continue such coverage and to include interviews with Protestant supporters of a united Ireland.

The truth has not been told about the war in northern Ireland. Your recent effort, was a glimmer of hope.

Respectfully

005234 0018835
