

Connie + all the others **O.W.** 12/9/98 **R**

I am so sick of your bias.
You cut off a Repub. before he
hardly has a say. You let
a Liberal go on on & even
ask him questions. And
most of them sound as tho they
don't have a brain in their head.
You like the politically stupid
people so you have control.
You're a ~~top~~ ^{true} Lib - you don't
~~to~~ want new & fresh ideas be-
cause then you can't control.
You're steeped in Liberalism &
really think you're superior -
You're an elitist.

On Monday, Bruce South. & E.J.
Dion had a fine time bashing
the Repub. They found every Anti-
Repub. article in the newspaper -
they did not correct the lies,
the callers in were saying. The
calls were Lib. 2 - The
camp most moderate calls are
Liberal. That's why you have
a mod. line. If you think you'll
have more conservative calls, you change
the line to E + W. You know
all the tricks & most people are not
aware of your devious ways.

you are prejudiced!
