

Sept. 2, 1993

Dear Brian Lamb and C. Span,

I would like to take this time to thank you for presenting unbiased news information.

I would like to thank you in particular for the two and a half hour Ross Perot interview. Both my husband and myself found it to be most interesting and informative.

We enjoy C. Span very much especially the programs which include Viewer call ins.

Thank you again,

[REDACTED]
