Serry Murphy, Program Director

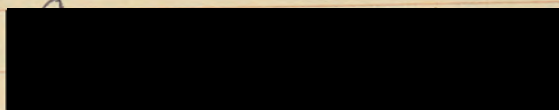

Dear Ms. Murphy:

I just want to thank you
so very much for the un-
biased coverage you have
given to the 1992 coverage
of the convention.

You have gained my respect
and admiration for the infor-
mation that has been made
available to anyone who watches
CSPAN.

I love America and feel your
coverage has helped strengthen
America and not tried to
divide it for the sake of
your own ratings.

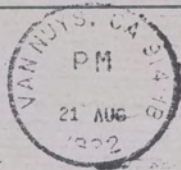

You should feel very proud
of yourself.
