Dear Program Director,

Thank you for the full coverage
you provided on the Nixon
funeral this past month. I also
found the phone calls with comments
at the end of the program most
interesting!

Sincerely,

IRVING, TX 75061

Dear Program Director,

I was so impressed with the program last evening 5/30/94 from 10-12 midnight CST. Four daughters of former presidents shared their experiences at the White House. What an interesting perspective to learn more of our American History. I would love to see more programs like this in the near future!

Sincerely,

IRVING, TX 75061
