

O.C-SPAN

I would like to
complain about a
reoccurring problem. I
was watching CSPAN.

Before I could see last
weekend the credits,
the address of the firm,
that held a press
conference about the Supreme
Court ruling. Mylen while
was watching a seminar about
an O Bondsman ~~the~~ from
the Washington Post Newspaper.
At ~~the~~ William and
Mary College, C-span one
Network, cut away from
the seminar, for a commer-
cial. It took place late ~~too~~
(over)

Afternoon today. I find it
Annoying.

Sincerely,
