

Dear Mr Lamb,

A few years ago you did
a program for C-SPAN where
you visited Japan and her
people. I thought it was
a good show. Also you
visited a Blackman & his
family living there Greg &
Nobuko Washington.
I would like to know sir
will you ever do a follow-up
on this story?

A return, if you will, and
a follow-up on the
Washington Family.

Thank You
